## Resumo de 100 Bullets Book Five

This dark and intriguing Eisner Award-winning series features a mysterious agent named Graves who approaches ordinary citizens and gives them an opportunity to exact revenge on a person who has wronged them. Offering his clients an attaché case containing proof of the deed and a gun, he guarantees his "clients" full immunity for all of their actions, including murder.

In this final volume, Graves, the Minutemen and the mysterious cabal behind them all collide with a bloody, stunning ending. This volume collects issues #81-100 of the original series.
