Resumo de A Single Shard

Tree-ear, an orphan, lives under a bridge in Ch"ulp"o, a potters" village famed for delicate celadon ware. He has become fascinated with the potter"s craft; he wants nothing more than to watch master potter Min at work, and he dreams of making a pot of his own someday.

When Min takes Tree-ear on as his helper, Tree-ear is elated — until he finds obstacles in his path: the backbreaking labor of digging and hauling clay, Min"s irascible temper, and his own ignorance.

But Tree-ear is determined to prove himself — even if it means taking a long, solitary journey on foot to present Min"s work in the hope of a royal commission .

. . even if it means arriving at the royal court with nothing to show but a single celadon shard.
