Resumo de Accidental Pharisees: Avoiding Pride, Exclusivity, and the Other Dangers of Overzealous Faith

Zealous faith can have a dangerous, dark side. While recent calls for radical Christians have challenged many to be more passionate about their faith, the down side can be a budding arrogance and self-righteousness that accidentally sneaks into our outlook.

In *Accidental Pharisees*, bestselling author Larry Osborne diagnoses nine of the most common traps that can ensnare Christians on the road to a deeper life of faith. Rejecting attempts to turn the call to follow Christ into a new form of legalism, he shows readers how to avoid the temptations of pride, exclusivity, legalism, and hypocrisy, Larry reminds us that attempts to fan the flames of full-on discipleship and call people to Christlikeness should be rooted in love and humility.

Christians stirred by calls to radical discipleship, but unsure how to respond, will be challenged and encouraged to develop a truly Christlike zeal for God."
