

# All Chalked Up

Bubbles's monster drawings are popping off the playground!

By Amy Rogers

## Resumo de All Chalked Up

Using their ultra super powers, Blossom, Buttercup, and Bubbles dedicate their lives to fighting crime and the forces of evil. Only they've got to do it all before bedtime, since they're only in kindergarten!

Scholastic is proud to present original Powerpuff stories in chapter books that capture the spirit and adventure of these pint-sized superheroes.
