Resumo de And Another Thing...: Douglas Adams's Hitchhiker's Guide to the Galaxy Part Six of Three

Eoin Colfer, author of the acclaimed Artemis Fowl series, has written a brilliant and hilarious sequel to The Hitchhiker's Guide to the Galaxy. Arthur Dent has finally made it home to Earth, but that does not mean that he has escaped his fate.

Arthur's chances of getting his hands on a decent cup of tea have evaporated rapidly, along with all the world's oceans. For no sooner has he touched down on the planet Earth than he finds out that it is about to be blown up .

. . again. And Another Thing . . . features a pantheon of unemployed gods, everyone's favorite renegade Galactic President, a lovestruck green alien, an irritating computer, and at least one very large slab of cheese.
