Resumo de Angels

After catching her husband having an affair and being fired from her job, Maggie Walsh suddenly finds her perfectly organized existence has become a perfect mess. She decides, for the first time in her life, to do something daring -- and flees to her best friend, Emily, in the faraway wonderland of Los Angeles.

In this mecca of tanned, beautiful bodies, unsvelte, uncool Maggie is decidedly a fish out of water. Yet, overnight, she's mixing with film folk, pitching scripts, even experimenting with sex -- and discovering that the end of a marriage is not the end of the world.
