# The Picnic

A First Counting Book

Illustrated by Liz and Kate Pope

# Resumo de Ants in Your Pants(tm) the Picnic: A First Counting Book

"How many ants can you count? "When ONE ant spots a picnic, it isn't long before his friends join in. Before long, they're munching the watermelon, enjoying the sandwiches, sipping the drinks, and nibbling the cupcakes.

But watch out . . . soon there's so many you'll get ANTS IN YOUR PANTS! This fun counting book features split pages and is perfect for young children just learning their numbers."
