AQUILA

BLOOD OF THE ICENI

Resumo de Aquila

He was one of the rebellious gladiator-slaves crucified by the Romans for being part of Spartacus's uprising, and in his dying moments he called out to the gods for vengeance.

Something heard him, and brought him back from the dead in exchange for his soul. He is Aquila, and he is now the unstoppable instrument of Ammit the Devourer, who hungers for the souls of evil men – and Aquila will cross the Roman Empire, from Londinium to Jerusalem to Rome itself, to feed her until his debt has been paid!

A stunning historical fantasy from writer Gordon Rennie (Rogue Trooper, Dept of Monsterology) and Leigh Gallagher (Judge Dredd).
