ATMOSPHERICS

Resumo de Atmospheric

For the first time, comics legend Warren Ellis and painter Ken Meyer unleash the terrifying alien tale of Atmospheric in full color! She's in a hospital... or it may be a police station.

She's been traumatized... or possibly she's being held for questioning. She's either the only living witness of a cattle-mutilation style attack on humans, or a multiple killer whose psychotic reaction to heroin led to massacre.

Who is this mystery woman? And will her interrogators survive the discovery of her true identity?
