book

COLORS

Resumo de Baby's First Colors

A yellow banana, a red fire truck, a green frog...introduce your baby to a wonderful world of colors with this delightful board book. Each of the colors is illustrated with vibrant photographs of things that baby will see in their everyday world, with a simple word label for adults to read and share, helping to develop first word and picture association.

The pages have graduated die-cut holes for little hands to touch and feel, and which peep through to a shimmery, shiny mirror at the back of the book for baby to look into.
