## Resumo de Bad Habits

Just what is to be done with Lucretzia Crum? Everyone has a few bad habits. But Lucretzia has all of them! She's the burping-est, spitting-est, kicking and screaming-est girl in the whole town.

And worst of all, her friends think Lucretzia's the cool-est! So what can be done with such a girl? Well...with her deceptively calm mom and mad scientist dad working on a number of wacky ways to tame their wild "little monster," it seems that Lucretzia's just deserts will soon be served!
