

Because I am a Boy

A close-up photograph of three young boys of African descent, wearing blue school uniforms, leaning over a wooden desk. The boy on the left has a serious expression, the middle boy is smiling, and the boy on the right is looking directly at the camera with a slight smile. Their hands are resting on the desk. In the background, other children are visible but out of focus. The text 'Because I am a Boy' is overlaid in white at the top.

Rosemary McCarney with Plan International

Resumo de Because I Am a Boy

Boys around the world are treated differently than girls just because of their gender. They are given an education and choices, but are also expected to be men, to work, to fight, to be brave.

Amazing photographs of children are paired with simple text showing that these boys wish for the same choices and freedoms they have to be given to the girls and women in their lives.

"Because I Am a Boy" is a valiant call for all children's voices to be heard.
