CRAIG THOMPSON

Resumo de Blankets

Named one of Time's top 100 Best Young Adult Books of All Time! "...A rarity: a first-love story so well remembered and honest that it reminds you what falling in love feels like.

...achingly beautiful." - Time magazine A brand-new, hardcover edition, re-sized and with a new cover! Wrapped in the landscape of a blustery Wisconsin winter, Blankets explores the sibling rivalry of two brothers growing up in the isolated country, and the budding romance of two coming-of-age lovers.

A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith. A profound and utterly beautiful work from Craig Thompson. At 592 pages, Blankets may well be the single largest graphic novel ever published without being serialized first.
