HUNTER
CODE

Resumo de Bounty Hunter Code: From the Files of Boba Fett

Legendary bounty hunter Boba Fett bound together two volumes of great personal significance: an edition of The Bounty Hunter's Guild Handbook, and a recruiting booklet issued by Death Watch, a secretive splinter group of Mandalorians.

Together, these volumes make up The Bounty Hunter Code, detailing the skills needed to make a living beyond galactic law as well as the little-known history, philosophy, and gear of Death Watch.

With notes from the books' former owners, this collection serves as a crucial guide to the bounty hunter's essential tools and techniques.
