

CLIVE BARKER

C A B A L

Resumo de Cabal

For more than two decades, Clive Barker has twisted the worlds of horrific and surrealistic fiction into a terrifying, transcendent genre all his own. With skillful prose, he enthralls even as he horrifies; with uncanny insight, he disturbs as profoundly as he reveals.

Evoking revulsion and admiration, anticipation and dread, Barker's works explore the darkest contradictions of the human condition: our fear of life and our dreams of death.
