A New York Times bestseller! The star of Animal Planet's hit television series *My Cat from Hell*, Jackson Galaxy, shows cat owners everywhere how to make their homes both cat-friendly and chic. Cat owners know the struggles of creating living spaces that are both functional and stylish for owner and cat.

Don't just go to your local pet shop and adorn your home with unattractive cat towers and kitty beds. In *Catification*, Jackson Galaxy, the star of Animal Planet's *My Cat from Hell*, and Kate Benjamin, of the popular cat design website *Hauspanther.com*, walk readers through a step-by-step process of designing an attractive home that is also an optimal environment for cats. This gorgeously designed, full-color book includes more than twenty fun DIY projects, from kitty beds and litter boxes to catios (cat patios) that will be sure to make readers—and their cats—purr in approval.
