Resumo de Cluster

Best case scenario. these soldiers will make it back to prison. In the distant future, as mankind discovers life on other planets, it needs soldiers to defend its colonies and outposts across the stars.

In order to increase the number of boots on the ground, criminals are offered the opportunity to serve in the place of incarceration. But as wars wage on and more soldiers are needed, small-time crimes are given long-term punishments.

When a group of prisoners serving their time as soldiers become stranded and abandoned on a war-torn planet, they'll need to work together to survive and uncover the truth behind Earth's role in deep space.

Written by Ed Brisson (Sons of Anarchy, Sheltered), and illustrated by Damian Couceiro (Sons of Anarchy, Planet of the Apes), with colors by Michael Garland, volume one collects the first four issues of the critically acclaimed, hard hitting sci fi series.
