

The book cover features a black background with intricate circuit patterns. The top half is divided into two horizontal sections: the left is dark blue with light blue circuit lines, and the right is orange with yellow circuit lines. The bottom half is divided into two vertical sections: the left is dark blue with light blue circuit lines, and the right is black with yellow circuit lines. The title 'Computers' is prominently displayed in the center in a large, white, sans-serif font. Above it, 'MEDIA SOURCES' is written in a smaller, white, sans-serif font. Below the title, the author's name 'VALERIE BODDEN' is written in a small, yellow, sans-serif font.
