Resumo de Defense Outlook 2016: What to Know, What to Expect

This is the inaugural report in the CSIS Defense Outlook Series, an annual review of what happened in the U.S. Department of Defense in the past year and what CSIS experts are looking for in the next.

It is meant to serve as a roadmap to track where the course of policy and actions relating to strategy, budget, forces, and acquisition has run and what curves lie ahead.
