LIVES AND TIMES

JAMES GOSS & STEVE TRIBE

Resumo de Doctor Who: The Doctor's Lives and Times

"I'm the Doctor. I'm a Time Lord. I'm from the planet Gallifrey in the constellation of Kasterborous. And I'm the man who's going to save your life." This is the story of an impossible life of a man who borrowed a spaceship, travelled through time and continually saved the universe as told by the Doctor's friends, by his enemies, and by the man himself.

Letters, journals, trial records, secret government files and the occasional bit of tabloid journalism reveal the never-before-told story of Gallifrey's last Time Lord."
