## Resumo de Earth One

J. Michael Straczynski, the creator of Babylon 5, joins forces with rising star artist Shane Davis (SUPERMAN/BATMAN: THE SEARCH FOR KRYPTONITE) to create this original graphic novel that gives new insight into Clark Kent's transformation into Superman and his first year as The Man of Steel.

This is the first in a new wave of original DC Universe graphic novels, featuring top writers' and illustrators' unique takes on DC characters.
