NORA ROBERTS

Entranced

A classic novel from the enchanting series
THE DONOVAN LEGACY

Resumo de Entranced

Fascinating and irresistible, the mysterious Donovan cousins share a secret that's been handed down through the generations -- a secret that sets them apart from ordinary beings. Entranced He was certainly a fraud, and she wasn't about to let him exploit her friend's vulnerability.

But fiercely protective Mary Ellen Sutherland was desperate to find a missing baby and had run out of leads. So, reluctantly, the dubious private investigator agreed to enlist Sebastian Donovan's help.

Soon she had to admit -- grudgingly -- that this beguiling mystery man had some pretty remarkable gifts, including his extraordinary ability to penetrate her tough façade and awaken her heart.
