Resumo de Everything's Eventual: 14 Dark Tales

International bestselling author Stephen King is in terrifying top form with his first collection of short stories in almost a decade. In this spine-chilling compilation, King takes readers down a road less traveled (for good reason) in the blockbuster e-Book "Riding the Bullet," bad table service turns bloody when you stop in for "Lunch at the Gotham Café," and terror becomes déjàvu all over again when you get "That Feeling, You Can Only Say What It Is in French" -- along with eleven more stories that will keep you awake until daybreak.

Enter a nightmarish mindscape of unrelenting horror and shocking revelations that could only come from the imagination of the greatest storyteller of our time.
