## Resumo de Fatherless

The year is 2042, and the long-predicted tipping point has arrived. For the first time in human history, the economic pyramid has flipped: The feeble old now outnumber the vigorous young, and this untenable situation is intensifying a battle between competing cultural agendas.

Reporter Julia Davidson—a formerly award-winning journalist seeking to revive a flagging career—is investigating the growing crisis, unaware that her activity makes her a pawn in an ominous conspiracy. Plagued by nightmares about her absent father, Julia finds herself drawn to the quiet strength of a man she meets at a friend's church.

As the engrossing plot of *FATHERLESS* unfolds, Julia faces choices that pit professional success against personal survival in an increasingly uncertain and dangerous world. *FATHERLESS* vividly imagines a future in which present-day trends come to sinister fruition.
