Resumo de Full Catastrophe Living: Using the Wisdom of Your Body and Mind to Face Stress, Pain, and Illness

The landmark work on mindfulness, meditation, and healing, now revised and updated after twenty-five years. Stress. It can sap our energy, undermine our health if we let it, even shorten our lives.

It makes us more vulnerable to anxiety and depression, disconnection and disease. Based on Jon Kabat-Zinn's renowned mindfulness-based stress reduction program, this classic, groundbreaking work—which gave rise to a whole new field in medicine and psychology—shows you how to use medically proven mind-body approaches derived from meditation and yoga to counteract stress, establish greater balance of body and mind, and stimulate well-being and healing.

By engaging in these mindfulness practices and integrating them into your life from moment to moment and from day to day, you can learn to manage chronic pain, promote optimal healing, reduce anxiety and feelings of panic, and improve the overall quality of your life, relationships, and social networks.

This second edition features results from recent studies on the science of mindfulness, a new Introduction, up-to-date statistics, and an extensive updated reading list. Full Catastrophe Living is a book for the young and the old, the well and the ill, and anyone trying to live a healthier and saner life in our fast-paced world.

What a gift!”—Amy Gross, former editor in chief, O: The Oprah Magazine “I first read Full Catastrophe Living in my early twenties and it changed my life.”—Chade-Meng Tan, Jolly Good Fellow of Google and author of Search Inside Yourself “Jon Kabat-Zinn’s classic work on the practice of mindfulness to alleviate stress and human suffering stands the test of time, a most useful resource and practical guide.

I recommend this new edition enthusiastically to doctors, patients, and anyone interested in learning to use the power of focused awareness to meet life’s challenges, whether great or small.”—Andrew Weil, M.D., author of Spontaneous Happiness and 8 Weeks to Optimum Health “How wonderful to have a new and updated version of this classic book that invited so many of us down a path that transformed our minds and awakened us to the beauty of each moment, day-by-day, through our lives.
