

# PHILIP REEVE GOBLINS

## Resumo de Goblins

From the renowned author of *Here Lies Arthur* and *No Such Thing As Dragons*, the adventures of a goblin outcast who must save his world from the rise of a dangerous dark magic...

Welcome to a wild world of magical creatures and heroic adventure! The squabbling goblins that live in the great towers of Clovenstone spend their time fighting and looting. Only clever young Skarper (who happens to be in exile) understands that dark magic created by a vanquished sorcerer is rising again.

With the help of a wannabe-hero, a middle-aged princess, and a few bumbling wizards, Skarper must fight to save their world.
