

GULLIVER'S TRAVELS

JONATHAN SWIFT

Resumo de Gulliver's Travels

At once satiric and magical, rich in philosophy and astonishing adventure, "Gulliver's Travels" transports children into worlds unknown. The entire voyage is seen through the eyes of Lemuel Gulliver, a ship's surgeon whose amazing account begins with a shipwreck on the high seas and continues as he encounters a race of miniature people known as Lilliputians; giant Brobdingnagians; the foolish Laputians; the very humanoid Yahoos; and finally, the gentle and wise horse-like Houhynhym - beings far superior to Man.

Will Gulliver ever make it home again?
