Resumo de Hail to the Chief! President's Activity Book

The perfect election-year activity book from Smithsonian. It all started with George Washington . . . as does this cool activity book that looks at each of the United States presidents and what was notable or notorious about their terms.

Filled with facts, photos, puzzles, mazes, word games, and other fun activities, plus a full-color sticker page and press-out, build-your-own Oval Officecards."
