

Harry *and the* Bucketful of Dinosaurs

by Ian Whybrow • illustrated by Adrian Reynolds

Published previously as Sammy and the Dinosaurs

Resumo de Harry and the Bucketful of Dinosaurs

Harry finds some old dinosaurs in his Grandma s attic. He cleans them up and makes them his own, carefully (and accurately) naming each one. Harry and his dinosaurs go everywhere together.

But one day, after an exciting train ride, Harry accidentally leaves the dinosaurs on the train. Silly, charming illustrations accompany this whimsical text of a child being a child. "From the Hardcover edition."
