

Hello, Bunny

Resumo de Hello, Bunny

Here's a charming, illustrated board book set that comes with an exceptionally soft, combination blanket and toy shaped just like their favorite animals. Babies develop a special attachment to these cuddly blanket toys that are designed with little hands in mind.

Say hello and learn all about Bunny's day--filled with fun and games, laughing and crying, waking up and going to bed, and more. Babies will love listening to these stories and playing with their very special bunny blanket.

Soon enough, they won't leave home without them!
