Resumo de Hello Kitty: Playtime

Learning first concepts is fun with Hello Kitty! Inside this big and busy board book, young Hello Kitty fans will love to learn their colors, shapes, first words, numbers, and opposites with their favorite character and her friends.

With doors to slide open, flaps to lift up, stencils to draw round, and different textures to touch and feel, there is so much in "Playtime" to engage and entertain preschoolers as they learn through play.
