

Hello, Teddy

Resumo de Hello, Teddy

Here's a charming, illustrated board book set that comes with an exceptionally soft, combination blanket and toy shaped just like a teddy bear. Babies develop a special attachment to these cuddly blanket toys that are designed with little hands in mind.

Say hello and learn all about Teddy's day--filled with fun and games, laughing and crying, waking up and going to bed, and more. Babies will love listening to these stories and playing with their very special teddy bear blanket.

Soon enough, they won't leave home without them!
