Resumo de Iron

A New York Times Bestseller! Wonder Woman has finally discovered her heritage, as well as all the family that comes along with it. However, as she digs deeper into her familial tree, there's as many Gods that are willing to lend her a hand as there are those that would do her harm.

WW continues on her search for her friend Zola's baby, not knowing who she can trust. So when she discovers New God Orion at her doorstep, is he here to help her--or destroy her? Brian Azzarello (100 BULLETS) and illustrators Cliff Chiang and Tony Akins blend superheroics with ancient mythology in this critically acclaimed graphic novel WONDER WOMAN VOL.
