Resumo de Karma

"New York Times "bestselling author Carly Phillips presents her third novel set in the quaint upstate New York town of Serendipity--where fate, fortune and love intertwine... Police Officer Dare Barron has had a crush on Liza McKnight ever since he was a teenager.

But despite his lifelong attraction, the closest he's ever come to interacting with her is watching Liza regularly bail out her brother at the station. Dare's dark past with Liza's brother, Brian, has always kept him from pursuing her.

But suddenly Liza finds herself in need of protection and Dare appoints himself as the man for the job. And while the sizzling attraction between Dare and Liza draws them together, the past that Dare and Brian share threatens to keep the two apart forever.
