Resumo de King Tiger

Blood, death, and fire--the darkest magic. A monstrous secret from King Tiger's past has tracked the warrior mystic to his sanctuary in the Nevada desert. With the lives of his friends and tens of thousands of innocents at stake, can Tiger's skills and sorcery triumph against an unthinkable supernatural obscenity linked to his own destiny?

If the Tiger falls, the Dragon will rise! A supernatural action/thriller of epic proportion, King Tiger: Blood of the Tiger features the writing of acclaimed Aliens vs. Predator scribe Randy Stradley and the eye-popping art of Star Wars: Dark Times artist Doug Wheatley.
