# Resumo de Leading on Empty: Refilling Your Tank and Renewing Your Passion

A message of revitalization and encouragement for leaders before they leave the ministry. Wayne Cordeiro, author of *Doing Church as a Team*, found himself paralyzed by burnout. He had been in ministry for 30 years, and 10 years after founding what is now the largest church in Hawaii, he found himself depleted.

Wayne took a season out of his growing ministry to recharge and refocus on the truly important. He got back in touch with his life, got back in proper balance, and re-energized his spirit through Christ and came back to serve with new passion and joy.

Wayne first gave this message at a Willow Creek Leadership Summit, where it was the highest-rated presentation by those in attendance.
