Leo's Carnivorous plant

callis

Resumo de Leos Carnivorous Plant

One day, Leo noticed that a lot of things were missing in his house... What could be happening? Leo is a boy like any other, but different in a unique way.

He has a fantastic carnivorous plant for a pet. Now he claims that his plant is devouring everything it sees. Find out Leo's secret. Is his carnivorous plant really gulping down anything it finds?
