Resumo de Little Friends Sound Book: Numbers

One, two, three, four, five...learning to count to ten is fun with the Little Friends in this noisy board book. Each Little Friend has favorite things to share, and a new number to learn, too!

By matching the right button on the sound bar to the right number, then pressing and listening to it over and over again, children will quickly and easily learn their first numbers and how to count, developing their speech and building their vocabulary along the way.
