

*Littleness of Faith*

Lisa Bell

## Resumo de Littleness of Faith

Faith faces a mountain. Weary and ready to give up, she wonders why God doesn't move the mountain out of her way. Jesus said we need faith no bigger than a mustard seed to accomplish incredible things.

Yet most of us barely accomplish small feats of faith. Could it be that the quality of our faith is more important than the size? What keeps us from moving the mountains in our lives, or is it possible God has a reason for leaving a mountain in place?

The author uses fiction techniques, a touch of humor, quotations and an honest look at her own journey into Littleness of Faith. Based on a study of Matthew 17:20, she shares insights into deepening the quality of your faith - and your relationship with the Lord.
