## Resumo de Maakies with the Wrinkled Knees

"In his surrealist impulse and draftsman's brio, Millionaire is the closest thing we have to George Herriman of Krazy Kat." The New York Times Book Review Drinky Crow may be the drunken star of the weekly comic strip Maakies, but more often than not, he plays straight man to the hapless ape, Uncle Gabby.

Here is the newest collection of Tony Millionaire's strip, never before published in book form. The suicide jokes may come less frequently than in earlier years, but the comedy and superb drawing style are at their peak, as is the volume of triple-X cartoon booze consumed.

Catch the new animated The Drinky Crow Show on Cartoon Network's Adult Swim starring the voices of Billy West, Dave Herman, Becky Thyre, and Tom "Spongebob" Kenny. Maakies features the comical adventures of a drunken crow on the high seas, blending vaudeville-style humor and a breathtaking line that harkens back to the glory days of the American comic strip.

Designed by publishing's foremost graphic designer, Chip Kidd, Maakies with the Wrinkled Knees features over two years of strips in a beautiful, deluxe, landscape hardcover format that complements the strip's elegant and classical style.
