Resumo de Magnolia

Atlanta in 1900 was a city of contrasts: a bustling place where commerce and high society flourished amid the languid rhythms of the sultry South. Claire Lang loved her life there, but one man's presence unsettled her very soul.

John Hawthorn's dark eyes and lean, handsome face captivated Claire more than she wanted to admit. And when tragedy struck, Claire found herself desperate enough to marry him--a man who couldn't return her passionate love.
