Resumo de Money and Tough Love: On Tour with the IMF

In Money and Tough Love Liaquat Ahamed offers brilliant insight into the heart of one the world's most influential institutions. At turns factual and informative, and others emotive and anecdotal, Ahamed joins in on the IMF's world missions to Washington, Tokyo, and Dublin in true James Bond meets The Financial Times style.

Pulitzer prize-winning author and pre-eminent financial thinker, Ahamed reveals the human stories behind the headlines, ranging from chatting about the state of the economy to Irish cab drivers, to Dior with none other than the IMF's Christine Lagarde.
