

A whimsical illustration of a mole named Monty. Monty is a small, dark brown mole with a pink nose and whiskers, wearing a green, spiky, shell-like helmet. He is emerging from a mound of dark brown soil, with his large, pink, clawed hands resting on the edges. The scene is set at night, with a large, bright yellow full moon in the background and a dark blue sky filled with small white stars and a few shooting stars. Green grass and leaves are visible in the foreground and around the mole's mound.

Resumo de Monty the Hero

Monty the mole's favourite bedtime story is about a hero, a monster and a magic wand. Monty wants to be a hero too so he sneaks out at night in search of adventure.

He meets Herbert the hedgehog and together they decide to be heroes and search for magic. Monty finds a conker shell and uses it as a helmet for protection in case they meet a monster!

And they do - along comes a grumpy badger but Herbert uses his spikes to send him on his way. Then Herbert tumbles down a hole and it's Monty's chance to be a hero and help his friend.

The heroes continue on their adventure and find what they think is a magic wand - a dandelion. They shake it but all the magic seems to disappear - or does it?

Will Monty's wish come true? Beautifully illustrated, QEB's Storytime introduces children to the pleasures of reading and sharing stories. Discussion points for parents and teachers are also included.
