## Meu Dia de Neve

Written by Ally Nathaniel

Illustrated by Milena Radeva

## Resumo de My Snow Day: Portuguese & English Bilingual Edition

"It's the first day of snow and Gabi and her siblings are about to get creative. They have the most brilliant idea: they will build the best snow-woman ever! This book will not only empower your child by sending the message that children can trust their own thinking and ideas, and implement them all by themselves, but will also emphasize the importance of team work."
