Resumo de No Biggy!

Getting frustrated is a part of life! And whether the curious little girl in this story is working on a puzzle, getting the zipper to slide all the way up her jacket or trying to spread peanut butter on a piece of toast, she learns to manage frustration by taking a deep breath, saying No Biggy!

and trying again. She even teaches her mommy and daddy a thing or two! Yes, grown-ups get frustrated a lot too. The heartfelt, meaningful text and playful, vibrant illustrations make this book a family favorite any time of day.
