NEW YORK TIMES AND
USA TODAY BESTSELLING AUTHOR

A close-up photograph of a person's hand holding a generous portion of mixed nuts, including almonds, walnuts, and pecans. The hand is positioned in the lower center of the frame. In the background, the face of a person is visible, looking down at the hand. The word "NUTS" is superimposed in large, white, three-dimensional block letters over the hand and the nuts. The overall lighting is warm and intimate.

NUTS

"Clayton's a master at balancing heart,
humor, and plenty of action between the sheets."
