

The background of the cover is a photograph of a rustic kitchen. A large, dark metal wood-burning stove is the central element. On top of the stove, there are several cooking items: a large metal pot on the left, a smaller pot in the center, and a metal cup on the right. A fire is burning brightly in the hearth of the stove at the bottom right. The walls are made of rough, dark wood or stone, and the overall lighting is warm and dim, creating a cozy, old-fashioned atmosphere.
