

The illustration depicts a scene from the fairy tale 'The Cat in the Hat'. A large, anthropomorphic cat with a red hat and a red dress with a pink polka-dot collar and skirt is running towards the viewer. It has a long red tail and is wearing brown boots. A white rabbit with a red bow and a blue vest is running alongside the cat. In the background, a grey snake is coiled around a wooden railing. Several mice are visible: one is hanging from a branch on the left, and a group of three is on the right. The scene is set in a dark, rocky environment with a wooden door on the right. The title 'O Gato de Botas' is written in a large, black, serif font inside a white oval. The author's name 'PERRAULT' is written in a smaller, black, serif font above the title. The publisher's name 'martins fontes' and 'selo martins' are written in a smaller, black, sans-serif font at the bottom right.
