# Resumo de Objective Advanced Student's Book Without Answers [With CDROM]

Objective Advanced is an updated and revised edition of the best-selling Cambridge English: Advanced (CAE) course. It is official preparation material for the revised 2015 exam, and combines thorough and systematic exam preparation with language work designed to improve students' overall English level.

The Teacher's Book offers complete support with time-saving ideas, including a Teacher's Resources CD-ROM with regular progress tests. The Workbook provides further practice of language and vocabulary introduced in the Student's Book, as well as including an Audio CD with listening exam practice.

The CD-ROM provides more language and exam practice in the form of interactive activities. Complete Cambridge English: Advanced practice tests are available for teachers online.
