

# Our Discovery Island

2

STUDENT BOOK

José Luis Morales

## Resumo de Our Discovery Island 2. Student Book Pack

Our Discovery Island makes learning English a memorable, exciting experience by harnessing the fun and excitement of a fantasy Online World with sound ELT methodology. Every level of the course presents students with a quest, which leads them on an exciting journey to strange, but interesting islands.

The Online World of this series recreates a digital environment today's children are naturally drawn to, guiding them in their English learning through a real desire to play, explore, create, and interact.
